Accused of Jumping School Lands Under the Guise of Placer

Applications Being Made for Patents to

Claims and Quarries,

Falls papers, mining applications Nos. 2276 and 2274 have been appearing regularly since May 2, 1889, inviting adverse claimants to present their claims within sixty days after the first publication. The sixty days after the first publication. The time will expire the 29th of the present month. The lands for which patents are applied for are described as the southeast 14 of section 35, township southeast 14 of section 35, township month. The lands for which patents are applied for are described as the southeast 4 of section 36, township 21, north of range 3 east, containing 160 acres; the other application is for the southwest quarter of section 36 in for the southwest quarter of section 36 in the same township. The persons applying the same township.

month. The lands for which patients are desired as discovered by the property of the property

When asked what he thought of this the portant matter, a gentieman connected with the United States service told an INDEPENDENT reporter yesterday that he regarded it as a steal and that the people should lose no time in having a full investigation if they care to preserve the school In commenting upon the alleged steal market, and Whittaker Star hams, at

"This is a matter which concerns every taxpayer, every par-ent and every child in Montana. It con-cerns the people of Missoula, of Beaver-head, of Dawson, of Lewis and Clarke as deeply as it concerns those living in other portions of the territory. They are all in-erested in preserving the school lands of Montana. They have a common interest in creating a fund for the benefit of the public schools. That fund is the hope of the youth of the land, and no one who has the youth of the land, and in one who has the interest of the future state of Montana at heart, no friend of popular education, no admirer of our institutions of learning can stand sitently by white attempts are being made to steal any portion of or impoverish that fund."
